# Dresscapes Notecards

Introducing … a new series of fine art notecards by Dressler Smith, whose works on paper and stained glass are designed to touch the human spirit. Her use of clean, rich colors, combined with her affinity for nature and all things spiritual, result in landscapes filled with peace and tranquility.

A nationally recognized artist and colorist, Dressler was featured in the May, 2001, issue of *Essence*. Her paintings have caught the eye of both critics and private collectors, including media titan Oprah Winfrey.

Eight different paintings were selected for use in Dressler's fine art notecard series. Each folded card is 5" x 7" in size, with an image on the front. The inside message area is blank. All cards are professionally printed in full color and are suitable for framing.
